VIETNAM COMMUNITY DATA DICTIONARY ROUND 1

A total of 21 data files are generated from the Vietnam Community Questionnaire dataset for Round 1.

Data File Name	Description
tblidentification.sav	Data about the community and region – includes the YL site code.
stblrespondents.sav	Data about the respondents of the community questionnaire
stblsec1units.sav	Data about the Special Local units used in the community
tblsec1physicalenvironment.sav	Data about the Physical Environment of the community
stblsec1diary.sav	Data about the months of the year that food is harder to obtain/more expensive, there is relatively more work to do, people move to the community to work and the community members move away to work.
stblsec1disasters.sav	Data about natural disasters that occur in the community
tblsec2socialenvironment.sav	Data about the social environment of the community.
tblsec3infrastructureandaccess.sav	Data about the infrastructure and access of the community
stblsec3services.sav	Data about services currently functioning and available to people in the community.
stblsec3markets.sav	Data about the types of markets functioning and available to people in the community.
tblsec4theeconomy.sav	Data about the economy of the community.

Data File Name	Description
stblsec4farmwork.sav	Data about the type of farm work in the community
stblsec4cropdisposal.sav	Data about the three crops that most people in the community cultivate.
stblsec4factories.sav	Data about the factories that are in the community.
stblsec4subcontracts.sav	Data about the putting out/subcontracting operations in the community.
stblsec4credit.sav	Data about the main sources from which people in the community borrow.
stblsec5healthfacility.sav	Data about the health facilities functioning and available in the community.
stblsec5school.sav	Data about the schools currently functioning and available to members of the community.
stblsec5schoolpay.sav	Data about how much the student usually pays or contriputes each year to the certain grades/levels.
tblsec5healthandeducation.sav	Data about the Health and Education of the community
stblsec6prices.sav	Data about the prices of certain items available in the community.

RESPONDENTS QUESTIONNAIRE
